

CALL FOR CONFERENCE PARTICIPATION

The DONDENA centre in Milan– in cooperation with the Consortium Board of the Generations and Gender Programme and the Population Unit of the UNECE – is organizing the :

2nd User Conference of the GGP

DONDENA Centre for research on Social Dynamics - Milan - Italy

24-26 OCTOBER 2013

09:00 – 17:30

This international conference aims to bring together researchers working with data from the Generations and Gender Survey and the GGP Contextual Database, and invites them to present and discuss their most recent methodological approaches and empirical findings. The conference provides a forum for exchange of ideas among existing as well as new potential GGP users, policy makers and the research community at large.

Papers will cover a wide range of substantive and methodological issues: Survey methods and implementation, Data quality and validation, Methodological considerations in studying demographic behaviour (e.g. accounting for contextual influences), Subjective wellbeing and demographic outcomes, Labour market and economic well-being, Intergenerational relationships, Grandparenthood, Retirement, Fertility of subpopulations and different social groups, Fertility intentions and their realization, Division of (un)paid work, Cohabitation, Fertility, Union formation and dissolution, The organizers especially encourage the submission of papers using longitudinal data.
